

Invites Applications For **DIRECTOR OF EDUCATION/CEO**

The Saskatchewan Rivers Public School Division Board of Education is seeking a strategic and innovative educator with exemplary interpersonal skills for the position of Director of Education/CEO to lead a progressive and inclusive school division. The candidate will have a proven track record of broad-based educational leadership with a focus on improving results for a diverse student population, advancing First Nations and Métis education, and a purposeful presence in schools.

As a leader, the candidate will be committed to a child-centered educational philosophy in keeping with the Division's mission to strive for excellence in education and to seek to maximize each child's unique learning ability. The candidate will maintain strong relationships with the Board, the staff, educational stakeholders, and other community partners. Experience in supporting both urban and rural schools is an asset.

The candidate will provide leadership for 8,500 students in 33 schools located in the City of Prince Albert and rural areas in all four directions from the city, ranging from Big River to St. Louis to Kinistino to Meath Park to Christopher Lake, and many points in between. The Division maintains a high commitment to all areas of programming to meet provincial requirements and local interests including Cree and Michif Language Programs, French Immersion, EAL programming and specialized supports for students with complex intensive needs. The Division also has an extensive network of community partnerships to support student and community needs and enhance the student learning experience.

The candidate will have attained a Master's Degree in a relevant educational field and meet qualifications for membership in the League of Educational Administrators, Directors, and Superintendents (LEADS) organization. The candidate will also have extensive successful teaching/administrative experience in Canadian schools combined with at least five years of administrative and supervisory experience at the division level. For a complete role description visit www.srsd119.ca/career. The position will commence on August 1, 2023, or a mutually agreed date.

The Division Office is located in the vibrant community of Prince Albert, Saskatchewan. With a population of 43,000, Prince Albert has a full range of business and recreational services and is the gateway to the north and some of the province's most beautiful year-round recreational areas.

Interested applicants are invited to email a letter of application, curriculum vitae/resume, and the names of three employment references by Tuesday, February 21, 2023, to:

Don Hoium, Hoium Strategic Leadership

E: d.hoium@sasktel.net

The interest of all applicants is appreciated; however, only those selected for an interview will be contacted.
