

Delta School District Invites Applications for the Position of Secondary Principal

Delta School District acknowledges that we learn and work on the traditional territory of the Tsawwassen and Musqueam First Nations and all of the Coast Salish Peoples who have been stewards of this land since time immemorial

As a result of a retirement, Delta School District requires a Secondary Principal to begin on **August 1, 2023**.

The Delta School District aims to be an innovative, inclusive community where all learners belong and everyone soars. We are a District of more than 15,900 students and 3,000 employees. The District's mission is to inspire and nurture thriving, future-ready learners at each of its 31 schools, located in Ladner, North Delta, and Tsawwassen. We value Compassion, Responsibility, Integrity, Creativity, Diversity, and Resilience. Our schools and District offices are located on the traditional territories of the Tsawwassen and Musqueam First Nations. The District offers its respect to the Knowledge Keepers and all First Peoples who have been on these lands since time immemorial.

The Principal plays an integral role as part of the District management team and of the school to which they are assigned. The Principal is responsible for overall supervision and operation of their individual school and also plays an appropriate leadership role in District initiatives.

Expectations and responsibilities of Delta Principals include:

- Projecting a clear sense of direction consistent with District [Vision 2030](#)
- Working to develop a Framework for Enhancing Student Learning based on the needs of the learners
- Participating actively in the planning, monitoring, and evaluation of the instructional program
- Demonstrating knowledge of curriculum, instruction and assessment
- Understanding child development as it pertains to learning.
- Working with staff to build knowledge and expertise related to assessment strategies
- Establishing a safe, orderly environment that promotes teaching and learning
- Encouraging and providing support for the professional learning of staff and participating in a program of personal professional learning.
- Keeping informed about current research, trends and practices in education
- Acting as a symbol of the school's culture through articulating and modeling goals and behaviours which signal to others what is of importance and value
- Demonstrating strong human relations and communication skills
- Developing positive and supportive relationships within an atmosphere of trust and mutual respect.
- Fostering supportive attitudes among community members including providing opportunities for members of the community to associate productively with the school's personnel and programs
- Planning and organizing school operations and routines, supervising a variety of personnel and students, and ensuring the effective management of the school property.

Requirements:

- Minimum of three years successful Vice-Principal experience
- Masters degree in an area such as Leadership, Curriculum or Learning
